Mini Challenge #5

"It was a adjective day and you notice a animal which happens to be your favorite animal there. However you notice the animal starts to action and the cage is open! Thinking quickly you decide to verb but unexpectedly ran into a person holding food spilling all over your color shirt Without thinking about it you start verb2 . Heading the other direction you didn't notice the item so you ran into it and fell but when you look up you notice number workers running towards the animal. Breathing a sigh of relief you feel feeling as you realize the crazy day is over.

ODD or EVEN

Enter a number:___

“The number you have entered is drumroll please...” A band enters from the left corridor playing the drums so aggressively your left wondering what you did in life to get you to this point in your life. “(Even or Odd inputs) The number is ODD!”

Hey Pssst! You wanna
see a magic trick?

Enter a number:___

“(Users number reversed) There
abracadont care anymore i wasted
30 seconds of your life thats the
real trick” Magician bows and
disappears into a portal.

Hard Mode

Now heres someone with some guts.
Now, 1-100 what number am i thinking
of?

Easy mode

You really picked.... Nevermind
then im thinking of a number
between 1-10

Medium Mode

Ok I see you have a little guts. Now choose a number between 1-50

Hey im gonna think of a
number and you have to
guess it. Would you like...
